

# **SAMPLE BALLOT**

## **DEACON SELECTION 2019-2021**

Following the By-Law change this year, the Deacon Nominating Committee, has reviewed the eligible members and approached a goodly number of individuals about serving as deacons for the 2019-2021 term. The Committee is proposing the members pictured below as candidates for selection as deacons.

Should you feel that someone should be added to this ballot, recognize that they may have already been approached, so you need to secure that individual's consent to be nominated and agreement to serve if selected. Obtain a petition form by contacting the church office, and secure a minimum of ten (10) signatures of members eligible to vote (age 16 and older). Return the petition to Jon Howell, the Chair of the Deacon Nominating Committee. This must be completed by the first Sunday in September.

**Date of Election: Sunday, September 15, 2019**  
**Members will be asked to select four (4)**
