February 11: Joint Service and Revealing of Three Scenarios for the Writing of our Future Story

Please join us for this special service of testimonies, prayer, and sharing of the three scenarios that have been mined from the information shared from our prayer groups during our 100 Days of prayer. For detailed information on the process of writing our future story, please read the brief booklet by Dr. George Bullard, "Writing the Future Story of Ministry for Your Congregation". This is available on our website: www.fbcjefferson.org

Reach Out and Care for One Another

Churches go through seasons of celebration, growth, introspection, struggle, and grief. While we have been seeking God's direction and leadership for our future, our members have also been struggling with grief.

We have lost John Penn, who faithfully led the campaign to maintain our church facilities. Alice has asked that memorial gifts be directed to the FBC Foundation for the upkeep of our facilities in John's memory.

We continue to journey with the Crow/Moore family as we prepare for Nadine's Celebration of Life. The Crow Family has asked that memorial gifts be directed to **Nadine Crow Memorial Fund**

We hurt deeply because we love deeply; but also because we have been deeply loved by these individuals. Your acts of caring for one another are noteworthy. When you love each other and carry one another's burdens, you are at your best. While we grieve with these families, there are many, many more needs. You carry your own personal stressors, struggles, and burdens. Remember that God cares about all that you are dealing with and loves you. While the day runs out every day before I can care for all who need care, I am here for you, as are the rest of our staff.

Vision 2028 - A combined worship service will be held on February 11 to celebrate and reveal the possible scenarios for our future story that have been developed from information received from our prayer teams as a result of our 100 Days of Prayer. In Sunday School that day, we want members who participated in those prayer teams to share with your class what that experience was like for you. This may take up the entire class time or part of it. Here are some possible questions you might answer as you share:

1. Did the prayer groups bring you closer to people in your group. If so, in what ways?
2. Were there any surprises about the 100 Days of Prayer?
3. How do you think the 100 Days of Prayer helped you grow spiritually?
4. Dr. George Bullard has commented that he has coached over 100 churches and our church had an unusually high number of comments about vision, unity, and change, which is positive. How do you think our prayer teams have helped prepare our hearts for God's vision for our future?
